WELCOME TO ABC EXCELS!

The purpose of this ABC EXCELS Parent Handbook is to provide families with information, regulations, policies, and procedures to help ensure a successful year in the ABC EXCELS program. This handbook is available online and upon request. Parents/Guardians will be asked to acknowledge acceptance of program policies.

The ABC EXCELS staff wants every student's experience to be positive, with opportunities to enhance his/her growth and development. The program is committed to providing a safe and enriching environment that furthers each student's emotional, social, physical, and cognitive growth. Providing a program that is flexible and balanced to meet each student's needs and interests is the primary goal of the program and its staff.

ABC EXCELS is ONE comprehensive expanded learning program that brings together three different programs for participating students/families:

- **After School Education Safety Grant Programs (ASES)** - free for all students at 11 sites (*Aloha, Burbank, Furgeson, Hawaiian, Juarez, Melbourne, Niemes, Palms, Willow, Fedde, and Ross*)
- **New Expanded Learning Opportunities Program ELO-P** - free for all unduplicated pupils (UDP): foster youth, English learners, and/or students who qualify for free/reduced price meals
- **Fee-Based Program** (formerly known as the Extended Day Program-EDP) - students who do not qualify as free may participate for a fee

The vision of **ABC EXCELS** is to **ENGAGE** students in meaningful learning & enrichment, have students **X-PLORE** their passions and interests, **CONNECT** students to each other and to their school and community, **EMPOWER** students to share their voice and **LEAD**, so that they can **SUCCEED** in all areas of their educational experience. Our mission is to expand children's horizons through one collaborative Expanded Learning Program, to positively impact students' achievement, and allow students the time and space to thrive.

GENERAL PROGRAM INFORMATION

A. Program Description & Components

ABC EXCELS is designed to provide students with a variety of creative, hands-on learning activities that help promote active student engagement. Daily activities include:

- Homework time
- Educational enrichment (eg. visual and performing arts, STEAM, social-emotional learning, team-building, youth leadership)
- Recreational games and sports
- A nutritious snack - provided by the district’s Nutrition Services Department

NOTE: Students will be given 30 to 60 minutes (depending on grade level) to work on their homework assignments. Homework completion is not guaranteed as ABC EXCELS is designed to provide students with academic enrichment activities. Students work independently on homework assignments and program staff are available to assist. Due to the 1:20 staff to student ratio (1:10 for TK/K), tutoring is not available during the program by the ABC EXCELS staff.

The ABC EXCELS after school program is offered at all elementary sites and three middle schools. It is the same program but is offered by various providers: Action Youth America (AYA), YMCA of Greater Long Beach (YMCA), District staff - Child Development teachers and other staff.

AYA or YMCA			ABC CHILD DEVELOPMENT	SITE STAFF
Aloha Bragg Burbank Carver Cerritos Elliott Furgeson	Gonsalves Hawaiian Juarez Kennedy Leal Melbourne	Niemes Palms Willow Wittmann Fedde Haskell Tetzlaff	Nixon Stowers	Ross

Schools with a start time of 8:30 am or later also offer a morning program that is offered through AYA (Cerritos, Elliott, Furgeson, Juarez, Melbourne, Palms) and our Child Development teachers (Carver & Niemes). This program begins at 7:00 am.

B. Program Staff

Each site has an ABC EXCELS Site Coordinator who directs the implementation of the program and oversees the program leads who work directly with students in the classroom/cohorts.

Program Site Coordinators and leads must meet the following criteria to work in ABC EXCELS:

- Hold a high school diploma or equivalent
- Have 48 college units or pass the District’s Paraeducator Exam

The ABC EXCELS sites that have our Child Development teachers meet the following criteria for ABC EXCELS:

- Hold a high school diploma or equivalent
- Have 24 college units in Early Childhood or Child Development and 16 GE college units
- Hold a child development permit

While schools may have different staff providers for ABC EXCELS, the components offered at each site are the same.

C. Days and Hours of Operation

The ABC EXCELS Program operates after school on days that school is in session. The program begins on the first day of school in August and ends on the last day of school in May. Program hours are: **School Dismissal until anywhere from 6:00 to 6:25 pm** (after school program dismissal will vary based on school hours). Program dismissal times are available online and at each school site.

The program does NOT operate on holidays and non-student days. Additionally, the program will not operate during the fall, winter, and spring intersessions. ABC EXCELS will offer a summer program from July 5-28, 2023 at five locations in the district. Please see the summer section at the end of this handbook.

D. Program Enrollment & Eligibility

ABC EXCELS is open to all students in grades TK-8 who are enrolled in ABC elementary and middle schools where the program is in operation.

The intent of the Expanded Learning Opportunities Program funding is to provide FREE Expanded Learning Opportunities to our unduplicated pupils. Students who qualify for free and reduced lunch, are foster youth, or are designated as English Learners have priority enrollment. Students who do not qualify as free can still participate based on our fee-based structure.

If your child qualified for ABC EXCELS as free at the time of enrollment but his/her status changed in the school year and no longer qualifies as free, we will honor their status at the time of enrollment. If your child qualified for the fee-based option but now qualifies for free, we will change your child's status to free. Please note that their status may change for the following school year.

There will be enrollment every spring for the following year. The enrollment process includes the following steps that parents/guardians must: (a) view a site Program Orientation video, (b) complete the Elementary or Middle School Enrollment Application, and (c) indicate in the online application that you have read, understood, and will agree to all the Parent Handbook policies. The submission of a Student Enrollment Application does not guarantee acceptance into the program. If the demand exceeds availability, we will establish a waitlist. We will continue to enroll throughout the year as long as there is space in the program. When a site program is full, our database will establish a waitlist for admission into ABC EXCELS. The Site Coordinator or our ABC EXCELS district administrator will contact parents once a space is available. (Students who are foster youth and/or homeless will have first priority on the waitlist. Other students who are considered unduplicated pupils will have next priority on the waitlist.)

Enrollment into ABC EXCELS is not guaranteed if a student transfers to another school site (includes Schools of Choice). If there is no space, the student will be added to the waitlist.

The ABC Unified School District implements equal opportunity programs. Services are provided to all eligible students in a nondiscriminatory manner. Students are served without regard to their gender, race, color, religion, national origin, ethnic group, or mental or physical disability. The program is open to all ABC Unified School District students in grades TK-8 who meet school-wide attendance and behavior policies. Students must attend 5 days a week from the dismissal of school until the program ends.

E. Fee-Based Option

Students who do not qualify as free for ABC EXCELS can still participate based on the following fee-based program structure. Please note that the price is a YEARLY cost that is divided into equal monthly payments over ten months.

Fee Schedule	Hours	Cost
Part Time for Elementary	Less than 3 hours	\$2,900/year - \$290/mo
Full Time for Elementary	3.25 to 4.75 hours	\$3,200/year - \$320/mo
Full Time Plus for Elementary	5 hours or more	\$3,400/year - \$340/mo
Morning Time only	For schools whose start time is between 8:30 AM - 9:15 AM	\$1,600/year - \$160/mo
Middle School Rate	From dismissal until 6:00 pm	\$3,200/year - \$320/mo

*Each additional sibling will receive a \$15 discount. (The oldest sibling will be at the normal rate.)

Upon enrollment, parents receive and sign a contract from the Child Development Office at the District Office West (DOW) that details their monthly payment information according to how much time their child participates in the program. Parents must adhere to the contract for their child to participate in ABC EXCELS.

Monthly payments are due on the 1st of each month either in person at the DOW (11011 Artesia Blvd, Cerritos), Monday - Friday, 8:00 am - 4:30 pm or online via www.myschoolbucks.com. Paying families at Nixon, Tetzlaff, and Stowers can pay the lead teacher/TOSA on site.

Any fees received after the 5th school day of the month is considered to be late. A late fee of \$20 will be added to all payments. (Please refer to the Fee Payment Schedule shared with you when you received your contract.) Any fees not paid after 5 calendar days of the late fee assessment will result in termination from the program.

\$35 will be charged for returned checks due to insufficient funds, closed accounts, or stopped payments. Thereafter, payment will be payable by money order or cashier's check only.

PLEASE REFER TO APPENDIX I - FEE-BASED CONTRACT AND PAYMENT INFORMATION for additional information for paying families.

F. Program Quality & Progress Monitoring

The ABC EXCELS Program integrates the strategies from the Learning In After School and Summer (LIAS) Principles:

1. Learning that is Active
2. Learning that is Collaborative
3. Learning that is Meaningful
4. Learning that Supports Mastery
5. Learning that Expands Horizon

The Quality Standards for Expanded Learning in California also guide the implementation of ABC EXCELS. Our district Expanded Learning Coordinators hold monthly staff meetings with the Site Coordinators and Program Directors to review progress on goals in accordance with the standards. Professional learning is provided during this time and opportunities for professional development from the Los Angeles County Office of Education (LACOE) and/or district staff are offered throughout the year.

Our ABC EXCELS district administrative team meets monthly with the Program Directors from AYA and YMCA. The leadership team also regularly visits sites to ensure that program expectations and quality are being met.

Program Directors and the Site Coordinators also meet with the principal monthly to ensure successful program implementation. We also plan to survey our stakeholders including students, parents/guardians, District personnel, and community partners for feedback on quality programming in November and May.

G. Confidentiality Policy

The District and its agency partners hold in confidence all records of family personal information. Access to these records are limited to authorized personnel: administrators, teachers, nurses, secretaries, and state reviewers. The files may be reviewed by the student's parent/guardian or authorized representative upon request and at a reasonable time and place. Program staff may discuss confidential information (behavioral or personal) with a student's parents/guardians, school principal, or program administrator/designee only.

EMERGENCY INFORMATION

A. Emergency Contact and Authorization

As part of the enrollment process, each parent/guardian is required to complete an Elementary or Middle School Enrollment Application that includes emergency and health information. The adults listed as an emergency contact or authorized persons **MUST** be **18 years of age or older**, and be available to pick up the student in case he/she becomes ill or injured during program hours and the parent/guardian cannot be reached. Parents/guardians are responsible for keeping this information up-to-date by immediately notifying the staff of any changes in address, telephone numbers, and authorized adults listed on the Enrollment Application in writing.

If a student's parent/guardian cannot be reached, an authorized adult 18 years and older listed on the Elementary or Middle School Enrollment Application may be contacted if a student:

- becomes ill or is injured
- has not been picked up by the program's dismissal time
- needs to be removed from the program due to behavior
- is present during a natural disaster or emergency in the community

B. Transportation of a Student in an Emergency

If a student is seriously injured during the ABC EXCELS, the Site Coordinator or person in charge will call 911 to request assistance. The parent/guardian will be notified following the emergency assistance request. Any fees for medical assistance shall be the responsibility of the parent/guardian. If the student is transported to a hospital, a staff member will accompany him/her.

C. Student Custody Agreements

If a student's parent/guardian possesses a student custody agreement, the registering parent/guardian is responsible for providing the Site Coordinator with an updated copy of legal documents that define student custody/visitation agreements. Without specific court-ordered documentation, staff may be required by law enforcement to release a student to either parent.

D. Child Abuse Information

All administrators, teachers, office staff, and paraeducators in the ABC Unified School District and the ABC EXCELS program and agency partners are mandated reporters and are required by federal policies and state law to report possible incidents of child abuse or neglect to the Los Angeles County Department of Children's Services - student Abuse Hot-Line, (800) 540-4000, or to the Los Angeles County Sheriff's Department. This obligation includes potential abuse or neglect that occurs when a student is in the care of the agency, as well as suspected abuse or neglect occurring outside of the program.

Specific state laws governing mandated reporting of suspected student abuse or neglect can be found at http://www.studentwelfare.gov/systemwide/laws_policies/state/.

STUDENT SIGN-IN & SIGN-OUT PROCEDURES

A. Daily Sign-In for Morning Program (and Summer Program)

The parent/guardian or other authorized adult who is 18 years or older must accompany children to the drop off location each morning and must sign the attendance sheet daily. A **full signature** is required on paper or digital format. **Children may not be dropped off or signed in before the start of the program.**

B. Daily Sign-Out for Afternoon Program (and Summer Program)

The parent/guardian or an authorized adult 18 years or older **with picture I.D.** must pick up children from the program area by the contracted time and must sign the attendance sheet daily and or digital format . A **full signature** is required. As the ABC EXCELS staff gets to know families and the adults picking students up each, picture IDs may only be checked when someone other than the usual adult picks up the student or if a new staff member is at the sign-out gate.

C. Daily Sign Out – Middle School

Parents/guardians of middle school students are encouraged to sign their student(s) out at the end of the program day; however, students may sign themselves out at the end of the program with written parent/guardian consent on the Middle School Student Self Sign Out and Permission Form. **A complete legible signature is required** and the correct time must be noted in the “Time Out” column of the Student Attendance Sheet or digital system.

D. Changes in Student’s Authorized Pick-Up List

Authorized adults 18 years and older must be listed on the Elementary or Middle School Enrollment Application. Parents/guardians may add or delete adults 18 years and older on the Student’s Authorized Pick-Up list by notifying the Site Supervisor/Director/Manager in writing.

NOTE: In case of an unforeseen circumstance/emergency where parents/guardians and the authorized adults 18 years and older listed on the student’s Enrollment Application cannot pick-up a student from the program, the parent/guardian must immediately notify the staff. The parent/guardian must contact the program staff via phone and provide an email with written authorization of the adult 18 years and older who will pick-up their student(s). The parent/guardian must provide the adult’s legal name and relationship to the student. Upon pick-up, the adult must present a photo identification to the Site Coordinator, and sign the student out noting the correct time in the “Time Out” column of the Student Attendance Sheet.

ATTENDANCE POLICY

A. Attendance

Students enrolled in ABC EXCELS are expected to participate each day the program is in session. Students who are absent from the regular school day or who leave school early due to illness, injury or discipline may NOT attend ABC EXCELS on the day of the absence or early pick-up. When a student is suspended from school he/she will NOT be permitted to attend ABC EXCELS for the duration of the suspension. District policy states that suspended students are not allowed on school campuses (Board Policy 5144.1).

We encourage students to stay for the entire duration of the ABC EXCELS program so that they can participate in all of the activities available to them.

B. Absences

Parents/guardians are responsible for notifying the program Site Coordinator in advance when their student(s) will be absent from the program. Parents/guardians must also provide the reason for the student’s absence.

Absences from the program shall be excused only if it is a result of an excused absence from school. Absences from school are excused only for health reasons, family emergencies, and justifiable personal reasons, as permitted by law, Board policy and administration regulations (Education Code 46010, 48216, 48205).

Student's absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to administrative regulations and law (Education Code 46014).

Due to grant and funding requirements for ASES schools (Aloha, Burbank, Furgeson, Hawaiian, Juarez, Melbourne, Niemes, Palms, Willow, Fedde, Ross), any violations of the Attendance Policy will result in the consequences listed below.

- First unexcused absence – Phone call home and a Written Warning documenting the first attendance violation
- Second unexcused absence – Written Warning documenting the second attendance violation
- Third unexcused absence – Student will be removed from ABC EXCELS. The parent/guardian will receive notification of dismissal via phone and a Student Dismissal Letter.

D. Students Participating in Other After-School On-Campus Activities - PERMISSION FORM

Students are permitted to participate in on campus activities or programs (tutoring, clubs, etc.) as long as an agreement or partnership with the program exists, thus making it the student's enrichment component. On days students participate in on-campus activities, **he/she must first report** to ABC EXCELS immediately after school, prior to attending the on campus activity or program. In addition, students must immediately report to ABC EXCELS after their on-campus activity or program has ended. Parents must sign a **Release to After School On-Campus Program Consent Form** and provide this to the Program Site Coordinator. Failure to return to ABC EXCELS following a student's participation in an on-campus activity, may result in dismissal from the program.

PLEASE REFER TO APPENDIX II - RELEASE TO AFTER-SCHOOL ON-CAMPUS PROGRAM CONSENT FORM

E. Late Pick-Up Beyond Contracted Time

All students must be picked up by time the program ends. If your child is on a fee-based contract, he/she must be picked up according to the agreed upon pick-up time. Parents/guardians are responsible for:

- Contacting ABC EXCELS staff if the parent anticipates that he/she will be late for any reason (this will not excuse the late pick-up)
- Making arrangements for other authorized persons listed on the emergency form to pick up children

ABC EXCELS staff will begin calling the parent and the adults listed on the Emergency Information Form for any child not picked up by time the program ends. **If an authorized adult cannot be reached, the local law enforcement or Department of Social Services will be contacted.**

If a student is not picked up on time the consequences are listed below:

- First violation – Phone call home to parent and a Written Warning documenting the first late pick-up (time and reason)
- Second violation – Written Warning documenting the second late pick-up (time and reason)
- Third violation – Student will be removed from ABC EXCELS. A Student Dismissal Letter will be provided to the parent/guardian documenting the third late pick-up

F. Terminating Program Services for Paying Families

Parents/guardians who pay for ABC EXCELS may terminate program services at any time throughout the school year. Parents who wish to terminate services must:

1. Submit a two-week written notice of termination to the ABC EXCELS district administrator at District Office West (DOW).
2. Pay for services for the two week period following the date of notice (if you're in the fee based program). Fee adjustments and refunds will be made only for those families who give this written two week notice.

G. Withdraw & Return During Current School Year

Families who withdraw during the current school year for any reason may only be added to the waitlist or re-enroll after any **outstanding fees are paid** (if parents pay for the program) and after a lapse of 60 calendar days.

NOTE: Due to high demand of the program, there is no guarantee that a student may be re-enrolled if he/she withdraws from the program. As spaces are made available, students on the waitlist are contacted for enrollment.

EARLY RELEASE POLICY

The ABC EXCELS program is made possible through the federal After School Education and Safety (ASES) grant, California’s Expanded Learning Opportunities Program (ELO-P) funding, and parent fees. These programs are designed for students to benefit from an Expanded Learning experience that includes homework support and academic enrichment activities. We encourage students to stay for the entire program duration so that they may experience all of the activities offered.

Per the ASES grant requirements, students must attend every day after school until the program ends. We are required to have documentation of all early release forms for this grant. Only schools that are under the ASES grant must adhere to the Early Release Policy: ***Aloha, Burbank, Furgeson, Hawaiian, Juarez, Melbourne, Niemes, Palms, Willow, Fedde, and Ross.***

Within the guidelines of the Early Release Policy, students at the 11 ASES sites may be released early from the program; however, an early release form must be completed during the enrollment of the program. In order to qualify for early release, the reason must be valid and the reason must apply directly to the ABC EXCELS participant.

PLEASE REFER TO APPENDIX III - EARLY RELEASE POLICY FOR ASES SCHOOLS

A. Early Release Procedures for ASES schools

Any student who leaves the ABC EXCELS program at an ASES school prior to dismissal time must have a signed Early Release Form on file.

- An Early Release Form (ERF) must be completed by parent/guardian or authorized adult 18 years and older in order for the student to be released early from the program.
- Completed forms will remain on file at the ABC EXCELS Program site throughout the school year.
- The early release time and code must be documented on the Student Sign-Out Sheet.
- No student will be released without prior authorization from a parent/guardian or authorized adult 18 years and older.
- A student who is receiving alternate on-campus services during program hours can be admitted to and/or continue in the program by having the parent complete a Release to After School Program Consent Form.

Middle School Students: Students enrolled at a middle school ABC EXCELS Program may sign themselves out and walk home at the end of the program with written parent/guardian consent. You may also agree to allow your student to sign-out of the program for Early Release (ER) reasons including an Off Site Enrichment Activity (ER Code 1) for activities such as dance, music, martial arts, soccer, football, tutoring etc.

Parents/guardians who elect for this option understands that once their student leaves campus, there is no adult supervision for them. For the student's safety, ABC EXCELS Program participants are encouraged to walk directly home or to their Off- Site Enrichment Activity after they sign out of the ABC EXCELS Program.

NOTE: This policy **DOES NOT apply to ER Codes 2 - 5**. If a student must leave the ABC EXCELS Program early for a family emergency, medical appointment, or other case-by-case situations, a parent/guardian or authorized adult 18 years and older must pick the student up from the program and provide a signature, the time, and identify the code that correlates with the reason for early release.

B. Early Release Policy - Approved Activities

- **Off Site Enrichment Activity:** Students may attend off campus enrichment (sports, fitness, academics, etc.) to count as their enrichment component. Students may not return to the program once they have been signed out.
- **Family Emergency:** The Early Release Policy should be followed if there is a death in the family, in case of a catastrophic incidents, etc.
- **Medical Appointments:** A doctor's note must be provided for all medical appointments.
- **Transportation:** Public transportation schedules, daylight savings "dark 30" if a student walks home or takes public transportation.
- **Welfare & Well-Being of the Student:** This will be on a case by case basis.

BEHAVIOR EXPECTATIONS & DISCIPLINE POLICY

A. Discipline Statement

Classroom rules are used to guide students toward self-control, to better understand the consequences for their decisions, and to make good choices about their own behavior. Students are expected to incorporate these values and standards in their interactions with other students and adults. Students are expected to be respectful and responsible in their interactions with other students and adults. Unacceptable student behavior impedes the learning process for all students. It is a parent/guardian's right and responsibility to teach proper behavior to their own student(s). Parents/guardians should discuss program expectations, rules and policies of the program with their student(s).

B. Behavior Rules and Expectations

Participation in ABC EXCELS is a privilege. School rules and regulations apply to all participants and their parents/guardians. All members of the school community have a right to a positive environment. Inappropriate behavior undermines the feeling of safety and respect that students, teachers, administrators, ABC EXCELS staff and parents/guardians have a right to expect. Inappropriate student and/or parent/guardian behavior will not be tolerated in ABC EXCELS.

C. Positive Behavior Interventions and Supports (PBIS)

Schools in the ABC Unified School District have adopted the Positive Behavior Interventions & Supports system (PBIS). PBIS is a system of support for students that includes strategies for defining, teaching, and supporting appropriate student behaviors to create a positive school environment. Each school has developed their own PBIS plan with various signs around campus informing everyone of appropriate student behavior expectations in a variety of places including classrooms, playgrounds, hallways, and lunch areas among others.

The ABC EXCELS students are expected to follow the same school PBIS expectations. The ABC EXCELS staff will follow the school-wide behavior plan when violations of these expectations occur. Parents and families should also be familiar with their school's PBIS expectations and plan.

D. Basic Program Rules for Students

1. Follow the directions of the ABC EXCELS staff and other adults at all times.
2. Mobile devices or personal electronics are not permitted during ABC EXCELS hours.
3. Quiet inside voices are expected when inside the buildings and hallways.
4. Use materials and play items appropriately and safely.
5. Games and equipment must be put away before playing with or using something else and/or before leaving.
6. Respect the authority of all adult staff. (teachers, ABC EXCELS staff, paraeducators, administrators, other staff, etc.)
7. Respect other students and their property - No fighting, stealing, using inappropriate language or actions.

E. Basic Parent/Guardian Agreements

1. Respect and follow the program guidelines and policies outlined in the ABC EXCELS

Parent Handbook including the following policies: Student Attendance, Early Release, and Behavior Expectations.

2. Approach the ABC EXCELS staff respectfully to help resolve issues or concerns that impact your student's wellbeing.
3. Remain calm, polite, and respectful when communicating with ABC EXCELS staff and members of the school community including administrators, teachers, other parents/guardians, etc.
4. Under no circumstances approach another student during ABC EXCELS.
5. Collaborate with the ABC EXCELS staff to address and correct unacceptable behavior shown by your student(s).
6. Keep all information on your student's Enrollment Application updated throughout the school year with the correct address, e-mail, phone number(s) and adults 18 years and older on the Student's Authorized Pick-Up List.

F. Consequences for Inappropriate Behavior

Consequences for inappropriate behavior include but are not limited to:

- First behavior violation – Phone call home to the parent/guardian and a Behavior Report. A possible suspension from the ABC EXCELS may be given depending on the infraction.
- Second behavior violation – Behavior Report. A possible suspension from the ABC EXCELS may be given depending on the infraction.
- Third behavior violation – Behavior Report, suspension from the ABC EXCELS and a Student Success Plan* will be put in place.
- Additional behavior violations – Student may be suspended or withdrawn from the ABC EXCELS.

Parents/guardians will be asked to attend a conference with the Site Coordinator, Program Director, and/or the District Expanded Learning Coordinator when a student consistently violates program rules or behaves inappropriately. The parents/guardians, student, Site Coordinator, Program Director and/or the District Expanded Learning Coordinator will cooperatively design a plan to modify the inappropriate behavior. If the Student Success Plan is not followed, the student will be removed from the program.

G. Severe Violations of School Rules

Severe behaviors that violate school rules, Ed Code and student safety will result in immediate student removal and/or withdrawal from the ABC EXCELS before and after-school program. Severe violation of school rules may also result in a referral to the District Student Evaluation Committee and/or law enforcement authority. These behaviors include, but are not limited to, the following:

- Persistent defiance
- Stealing
- Defacing property/vandalism
- Fighting
- Possession of weapons, drugs, alcohol and/or tobacco
- Bullying (written, verbal, physical, cyber)
- Using profane or offensive language (e.g. ethnicity related, gender identification/orientation, etc.)

H. Dress Code

Participants in ABC EXCELS are expected to follow school and district dress code policies. A student's activities may be limited if clothing and shoes are not appropriate for safe play.

Sweaters, jackets, coats, and other outer garments should be labeled with the student's name.

I. Personal Items

The District, its staff members, and agency partners are not responsible for any lost or stolen articles or money brought to school/ABC EXCELS. No personal items are permitted, including electronic devices such as cell phones, tablets/iPads, video games, etc. Students are not permitted to bring money or personal toys. Items as such will be confiscated by the Site Supervisor/Coordinator/Manager and returned to the parent/guardian at the end of the program.

The bringing of explosive items (e.g. firecrackers, etc.) toy guns, sharp or dangerous objects, or weapons of any kind and for any reason will result in immediate dismissal from ABC EXCELS. The proper authorities (e.g. school, police, etc.) will be notified if students are found in possession of these items.

STUDENT HEALTH & SAFETY

A. Student Health Requirements

All students enrolled in ABC EXCELS must meet the medical and immunization requirements for enrolling in school. Parents/guardians must inform the ABC EXCELS staff if their student has any medical conditions such as allergies, seizures, asthma, diabetes, etc.

B. Administering Medication

If the student is taking medication (prescribed or over the counter), the parent/guardian must submit a copy of the ABC Unified School District's Health Services Form as well as a duplicate of the medication to the ABC EXCELS. Medication must be in its original container. Medication should be taken at home whenever possible. The ABC EXCELS staff may only administer medications if the ABC Unified School District's Health Services Form is completed by the parent/guardian.

ABC Unified School District requires that the "Request for Assistance with Medication Form" be completed by a physician and parent/guardian to administer an inhaler. This form must contain written permission and instructions for inhaler use. parents/guardians should contact the regular school office to obtain the medication form.

C. Isolation of Sick Students

If a student appears to be ill or have a contagious disease/condition, the student's parent/guardian will be notified immediately. While waiting for pick up, the student will be separated from other program participants.

D. Illness Exclusion Criteria

ABC EXCELS follows the District's Illness Exclusion Criteria as outlined below:

- Students should be kept home or the parent/guardian will be called to take a student home when he/she has an illness that prevents him/her from comfortably participating in activities or that result in a greater need for care than staff can provide.
- A student who is ill may not return to school until the student is without symptoms or a fever for 24 hours. The student should not have been given a fever-reducing medication during this 24-hour period. Common illnesses include:
 - Fever of 100 degrees or more
 - Earache that is associated with a fever or is causing the student distress/discomfort. We encourage parents/guardians to seek medical care
 - Diarrhea. The student may return to school when stools are of normal consistency for 24 hours
 - Vomiting two or more times in 24 hours, unless the vomiting is determined to be caused by a non-communicable condition and the student is in no danger of dehydration.
- Head Lice: A student may return after the first treatment and all nits have been removed and no longer has active live lice. The student must be checked by school staff before returning to the ABC EXCELS.

The following diseases/illnesses require a **re-admittance note from a doctor** stating that the student is free from the disease or illness and can return to school:

- Rash
- Purulent conjunctivitis (pink eye or other redness or pain around the eye)
- Ringworm (once released by a doctor, any remaining sores must be covered at school)
- Impetigo (once released by a doctor, any remaining sores must be covered at school)
- Mouth sores
- Streptococcal pharyngitis (strep throat)
- Scabies
- Measles

APPENDIX I - FEE-BASED CONTRACT & PAYMENT INFORMATION

A. Computation of Fees

Program costs are based on the academic school year. Families are permitted to make 10 regular payments rather than paying the entire fee at the beginning of the program year. Regular fees are listed below. Participants who pay the entire yearly balance in full by the time **October fees are due** will receive one week free.

B. Tax ID Number

Please keep your regular, individual receipt as no year-end report will be given. Contracting parent may ask for the Tax I.D. through the Child Development Office.

C. Flexible Spending Programs

The program accountant is the ONLY designated person to sign ALL Flexible Spending (FS) forms. Parents can submit the form to the Child Development Office. The FS form will be signed once payment for fees has cleared. Clearance of fees can take up to 4 – 6 weeks after the parent has submitted their regular fees to the online payment system or to the Child Development Office. The office staff will notify parents when forms are completed.

D. Enrollment Fees & Contract

For NEW ABC EXCELS students, there is an initial enrollment fee of \$50.00. The registration fee for RETURNING students is \$25.00. This fee is not refundable nor credited toward regular dues and is due at the time of initial enrollment. Payment must be made at the DOW and can now be made payable by personal check, money order, or cashier's check. Paying families must also complete and sign a payment contract for each student to finalize registration in ABC EXCELS.

E. Payment of Fees

Fees are due the first school day of each month. Any fee received after closing of the 5th school day will be considered late. See Fee Payment Schedule. A late fee of **\$20.00** will be added to all late payments. Fees may be paid with a personal check, cashier's check, money order or online payment system **ONLY**. **Cash or business checks will not be accepted as payments for your child's regular tuition.**

F. Late Payment of Fees

Regular fees received after the 5th school day of each month is considered to be late. **3 late payments will result in dismissal from the program.**

G. Checks returned for Non-Sufficient Funds, Stopped Payment, or Closed Account

If a check is returned to the district as a result of non-sufficient funds, stopped payment, or closed account, a \$35.00 fee will be charged. The contracting parent must then:

1. Pay the amount of the returned check by **money order or cashier's check only**.
 - a. This amount is due within 14 days of notice.
2. Pay a \$35.00 returned check fee by **money order or cashier's check only**.
 - a. This amount must be paid by a **separate money order or cashier's check**.
 - b. It may NOT be combined with the amount of the original returned check.
 - c. This amount is due within 14 days of notice.

Regular payments for the remainder of the school year and the following school year must be

submitted online (if available) or by **money order or cashier's check only**.

3. If a second check is returned to the district for a similar reason, then all future regular payments must be submitted online (if available) or by **money order or cashier's check only**, for the duration of continued enrollment in the program.

NOTE: If someone other than the contracting parent wrote a returned check, the contracting parent still bears the responsibility for the student account and must therefore submit all future payments by money order or cashier's check only.

Failure to pay for the original check amount plus the \$35.00 fee by the due date indicated on your notice will result in termination from the program.

H. Payment Plans

If there are emergency circumstances that result in a parent's inability to submit a payment by the regular due date, a payment plan may be requested. This may be done only once in a school year for a maximum of 1 month. Please inquire at the Child Development Office at 562) 229-7985 prior to the regular payment due date to request a payment plan.

I. Extended Leave of Absence

A request for a Leave Of Absence (LOA) may be granted once per year for a period of up to 6 weeks. During the leave, your spot in ABC EXCELS will be held for a \$50.00 fee for each child requesting a LOA. This fee must be paid in the form of a money order or cashier's check only. This fee is not refundable, nor will it be credited. If necessary, a prorated fee will be given upon the students return to the program.

A leave of absence may be considered for any reason, but not limited to the following:

- **Maternity Leave:** A maternity leave can be requested for the duration of up to 6 weeks. (Please provide a notice for verification)
- **Medical Leave due to medical emergencies:** A medical leave can be requested for the duration of that which is recommended by a medical professional for the enrolled student and any immediate family member of the enrolled student. Immediate family members include parent/step-parent, sibling/step-sibling, maternal/paternal grandparent, or legal guardian. (Please provide a notice for verification.)

J. Extended Leave of Absence Request Procedures:

Contact the ABC EXCELS administrator at District Office West (DOW) at least **two weeks prior** to the start of the leave.

- a. Once approved, provide verification for the leave, complete a Leave of Absence Form and submit LOA fee at the DOW).
- b. LOA fee is \$50.00 per child, payable with money order or cashier's check only.

Please note that a leave may not be granted due to insufficient notice or for non-payment. Depending on the circumstance, a payment plan may be offered in lieu of a leave of absence. At the end of the designated leave, the parent will be liable to pay any regular prorated fees to the DOW by the first school day back from the leave, or on the predetermined date. Failure to provide payment will result in an automatic termination from the program.
